Public Comment

Enforcement Hearings

- Docket Number 2023-001: Einstein's Tap House LLC d/b/a Einstein's Tap House:
 - It is particularly alleged that on May 7th, 2022, at approximately 0040 hours, DLL Inv. Matthew Gonyo conducted an inspection of Einstein's Tap House located at 165 Church Street in Burlington. During his inspection, Inv. Gonyo immediately noted an individual to be displaying signs of intoxication without being removed from the premises or being moved to a nonpublic area under the direct supervision of Licensee personnel, in violation of General Regulation 17. An Administrative Notice of Agency Action (#20220112) was issued to the licensee assessing a \$510.00 monetary penalty. The licensee denied that administrative ticket and has, therefore, requested a hearing before the Board of Liquor and Lottery.
