Catalog of Approved Events for Sports Wagering

All authorized and prohibited wagers are governed by 31 V.S.A. Chapter 25 and the State of Vermont Sports Wagering Procedures, approved July 19, 2023, and as may thereafter be amended ("Enhanced Procedures"). Unless otherwise prohibited by 31 V.S.A. Chapter 25 or the Enhanced Procedures, Operators may offer any wager type for the approved leagues and events set forth in this Catalog, provided: (a) the outcome can be verified; (b) the outcome can be generated by a reliable and independent process; (c) the event generating the outcome is conducted in a manner that ensures sufficient Integrity Monitoring controls exist so the outcome can be trusted; (d) the outcome is not likely to be affected by any wager placed; and (e) the event is conducted in conformity with applicable laws. Any other league, event, wager, or wager type not provided general approval through this Catalog, must be submitted to the Department for specific approval pursuant to the Enhanced Procedures and shall not be made available for wagering until approved by the Department. Such requests will be reviewed on a case-by-case basis and approved at the sole discretion of the Department.

- 1. Impermissible Player Propositions include but are not limited to wagers that are inherently objectionable or officiating related. Examples include, but are not limited to the following:
 - Inherently objectionable (ex., will any player suffer an injury, will any player be arrested or suspended, how many games will an injured player miss, etc.)
 - Officiating related (ex., when will first penalty flag be thrown/foul called, how many flags/fouls will be called, what will be the game's first accepted penalty, what will be the result of coach's challenge, etc.)
- 2. Any petition for a new category of a Sports Event or Type of Wager must be submitted in accordance with Part II Section 2 of the Enhanced Procedures.
- 3. Wagering on Vermont collegiate teams is not allowed unless the team is participating in a tournament format event. Wagering on Vermont High School teams is expressly prohibited by 31 V.S.A. § 1301(10)(A).
- 4. Unless specifically excluded in this Catalog, the following wagers are approved for all approved leagues:

- Single-game bets, teaser bets, parlays, over-under, moneyline, pools, exchange
 wagering, in-game wagering, in-play bets, proposition (prop) bets, straight bets, point
 spreads, pleasers, round robin, cash out, 3-way, spread/handicap, totals, player-gameteam props, yes/no, future/outright, same-game parlays, multiple same-game parlays,
 virtual match ups win/place/each way.
- DLL NCAA restrictions: Individual player proposition (prop) bets will not be allowed on any NCAA allowed game offered in Vermont. Proposition bets that cover the entire team will be allowed.
- A non-Vermont collegiate team playing another non-Vermont collegiate team in a sanctioned event in Vermont is permissible.
- Wagering on awards which are voted on by league referees, officials, or athletes, or members of the news media, fans, etc. or that are not exclusively based on statistical results will not be allowed.
- Wagering on league drafts, combines, or other player evaluation or selection events is not allowed.
- 5. For the NFL, NBA, MLB, and NHL, future/outright wagers on the champion are permissible when all the post-season participants are known (e.g., all spots have been filled and there will be no additions or subtractions due to wins and losses). All other approved leagues have no future/outright wager restrictions.
- 6. For all approved leagues, in-game wagers are wagers placed on the outcome of an athletic event or proposition wagers made after the athletic event has started, included wagers available before the event has started (e.g., money-line, spread, totals) as well as wagers specific to the outcome of the next occurrence of recurring game dependent events (e.g. result of the current possession, cause of next scoring event) and can continue during the course of live play of the athletic event.
